

COMMUNITY HOMES FOR ADULTS, INC

# ANNUAL REPORT

NOVEMBER 1, 2024 - OCTOBER 31, 2025

# OUR MISSION

is to enable adults with intellectual disabilities to live full, rich, safe lives while meaningfully participating in the community.

“ CHAI has given our family incredible peace of mind knowing Lisa is surrounded by staff who are truly her friends. She’s thriving, independent, happy, and still close enough to stay deeply connected to us.

- Kevin Cooper

## FROM OUR LEADERSHIP

We are so grateful for the CHAI Staff, donors, volunteers, and board members who made 2025 a remarkable year in many ways.

Our CHAI LIFE event broke records and raised over \$500,000, followed by North Texas Giving Day. This extra funding allowed CHAI to install much-needed new floors in half of our homes, purchase a new van for resident transportation, and repair an HVAC system.

Our endowment continued to grow, thanks to generous donations, talented investment management, and diligent oversight by our trustees. Our endowment's growth interest will provide 15% of our entire operating budget in the coming year. You will also read about our CHAI Society of Lifetime Care. Supporters can state their intent to leave a legacy gift beyond their lifetime to our endowment through generous estate planning. This type of long-term funding provides CHAI with greater stability to address the challenges posed by the Texas Medicaid Waiver Program, which continues to provide the majority of our income.

Speaking of the Texas Medicaid Waiver program, while we are grateful that the state marginally increased the reimbursement rate for which we pay our staff from \$10.80 to \$13.00 per hour, they significantly decreased the number of individuals with IDD who can receive that funding annually to pay for CHAI services, growing the waitlist to 15-20 years.

Our relationship with the State of Texas has a bright side, however. In both of the state audits conducted on CHAI, which were unannounced, by auditors to ensure an accurate assessment, CHAI received ZERO Deficiencies. This is an extremely rare accomplishment for group home providers across the state, demonstrating the excellence of our staff across all programs and services, their commitment to our mission, and their sincere care for our residents.

We couldn't be more proud to invite you to read this annual report, which is a celebration of the ways you have sustained and grown something truly great in our community.

Sincerely,

Ricki Shapiro  
President, Board of Directors

Lisa Brodsky, MSSW  
CEO

## GROUP HOME CARE

Dedicated staff shop and prepare nutritious meals, oversee and manage medications, transport the residents to appointments and activities, maintain the home, and provide supervision and security required for creating a rich living environment.

## WOLENS DAY PROGRAM

Weekdays at the Jewish Community Center, our Individualized Skills and Socialization (ISS) program provides socialization, crafts, physical fitness, and lessons on things like personal finance. Field trips include museums, civic locations, and restaurants.

## NURSING SERVICES

CHAI staff consult a team of nurses 24/7/365 for expert help with medication management and minor illnesses, and provide transportation to all medical appointments. This lifts a substantial burden from the direct care staff and families.

## COMMUNITY ACTIVITIES

Volunteers visit the homes to host book clubs and craft days, and residents can attend religious services, community dinners, Best Buddies, Special Olympics, picnics, yoga, bingo, and gardening days, among other activities.

# CHAI SOCIETY FOR LIFETIME CARE

BENEFITING COMMUNITY HOMES FOR ADULTS ENDOWMENT FOUNDATION

We express deep gratitude to CHAI donors of blessed memory whose generosity extends beyond their lifetimes through legacy giving. Their support has helped grow our endowment over the last 25 years so we are able to serve generations of CHAI residents. Though they are no longer with us, their commitment to our community endures.

# COMMUNITY SUPPORT

CHAI is unique among other group home providers by engaging the broader community in activities with the residents. Over 200 volunteers annually, from 13 community partners, invite CHAI residents to gatherings for social engagement, learning, and spiritual enrichment. Residents and staff travel to play bingo, attend community dinners, learn about nature, and engage with their spirituality and religion. Other volunteers visit the group homes regularly to host book clubs, watch sports on television, conduct crafts and games, and provide other creative activities.

CHAI's volunteer program provides residents with something that all people desire: companionship and positive interpersonal relationships. Over time, community participation has led to numerous powerful long-term friendships between community members and CHAI residents.

**We are grateful to these organizations and their volunteers for enriching the CHAI community:**

# THE BUDDY & CARMEN CLUBS

Buddy and Carmen Club members generously support our Annual Campaign, which directly funds our programs and services to adults with intellectual disabilities. We are delighted to recognize these supporters through this annual report, on our website, and at exclusive events focused on donor impact. Giving club membership is determined by the annual total given in either the current or the prior fiscal year.
